

TURNING TRU-STONE for JEWELRY APPLICATIONS

TURNING TRU-STONE FOR JEWELRY:

John Franklin will demonstrate and show various techniques for creating authentic looking jewelry from a re-manufactured stone called Tru-stone. We will use Soft Jaws for turning Tru-stone and show and/or discuss other techniques to shape, sand, drill, and polish the Tru-stone until it looks like real stone.

SATURDAY MORNING- 9:00 AM to 11:00 AM

January 9th

at the Opdahl Facility in Hurley, New York
